

Hoboken Charter School

A K-12 community of learners, the Hoboken Charter School seeks to develop the academic, artistic, personal, and civic growth of all its members through its commitment to service learning and learner-centered education.

November 19, 2009

Dear Hoboken Charter School Community,

The Hoboken Charter School Board of Trustees will be conducting a facilities forum on December 2, 2009 at 7:00 p.m. in the Demarest School auditorium. This meeting will be facilitated by consultant, Jim Delaney. The focus will be on space options for HCS. The Hoboken Board of Trustees and HCS Facility Committee will be present to address your concerns and provide pertinent information.

Your input is welcomed. We will continue to update the Hoboken Charter School community as plans develop and progress is made.

Sincerely,
Helen Cuning, HCS Board Chairperson
